

Winter 2025 VLCs

January 13, 2025 - February 24, 2025

	<p>Prioritizing Social and Emotional Learning</p> <p>In this course, participants will develop strategies to promote self-awareness, self-management, social awareness, relationship skills, and responsible decision-making skills in a student-driven learning environment.</p> <p>Participants in this course will use Dr. Nancy Sulla's book <i>Reinventing the Classroom Experience</i> as a resource. The assigned book must be purchased in advance.</p>
	<p>Using Formative Assessment to Drive Instruction</p> <p>Explore the structures and strategies you can use to gather formative assessment data to drive instruction targeted for increased student achievement. Design formative assessments for use with your students that can be used anytime.</p> <p>Participants in this course will use Dr. Nancy Sulla's book <i>Reinventing the Classroom Experience</i> as a resource. The assigned book must be purchased in advance.</p>
	<p>Leveraging AI in Your Classroom</p> <p>“Work smarter, not harder!” AI tools give us the power to do just that. The possibilities are endless! Explore the opportunities for using AI-driven tools to design rubrics, protocols, instructional activities, and more! Also generate higher-order questions in the moment while engaging with your class and write your talking points for lessons and videos. Learn the nuances for using AI as your instructional design assistant and your power partner in the classroom to meet individual student needs through greater personalized learning.</p>
	<p>Strategies for Supporting ELLs</p> <p>How can teachers support English Language Learners (ELLs) in their classrooms? Participants will explore 7 Essential Elements for ELL Support: physical space, scaffolding, resources, explicit language instruction, facilitation, emotional wellness, and social engagement. They will learn actionable strategies to help students and teachers thrive. Strategies will be tailored to each participant's grade level and subject area.</p>
	<p>Digging Deeper: Creating a Climate of Executive Function</p> <p>Participants will explore how executive function supports the critical life skills of conscious control, engagement, collaboration, empowerment, efficacy, and leadership.</p> <p>Participants in this course will use Dr. Nancy Sulla's book <i>Building Executive Function: The Missing Link to Student Achievement</i> as a resource. The assigned book must be purchased in advance.</p>
